- Applications for our Special Use permitted area are due no later than June 1st.

Deposit

A hunt is considered booked when the \$1000.00 hunt deposit is received. The remaining balance is due August 1st for Archery hunters, and September 1st for Rifle hunters. The deposit less \$200 will be refunded if the hunter is not drawn for a Montana hunting license or credit the full deposit to another season.

Cancellation Policy

Should a hunter cancel a hunt with Burke Ranch Outfitters prior to February 1st, the deposit will be returned in full, less a \$200 cancellation fee. It is forfeited if the hunter fails to make the final payment for the remaining balance on time (August 1st for Archery, September 1st for Rifle). Hunters concerned with cancellations due to unforeseen circumstances are encouraged to obtain Travel Insurance endorsed by MOGA (Montana Outfitter and Guide Association). Please [click here](#) for more information on MOGA Travel Insurance.

If the hunter fails to send license application information to Burke Ranch Outfitters and/or to Montana Fish Wildlife & Parks by March 15, Burke Ranch Outfitters has the option to retain the deposit, or credit it to another season.

If the hunter fails to make the final payment, or the final payment is late, a 10% late fee will be added to the cost of the hunt, and Burke Ranch Outfitters has the option cancel the hunt and/or to retain the deposit.
